

How to Access Your Online KCU Records

1. Go to www.kcu.edu. Scroll to the bottom of the page and select "My KCU".
 2. In the left hand column click on "MY KCU FOR STUDENTS".
 3. You will be taken to the "Online Registration and Student Information Services" page. Select an area that you would like to view (e.g., Transcript).
 4. You will be prompted to log-in. Your Student ID is your KCU ID number. Your ID number is the 8 digit number found on your ID card and begins with 00xxxxxx.
 5. Your PIN number is the next requirement. Your PIN is your birthday written out to 8 digits (e.g., if your birthday is February 2, 1990, then you'll need to enter 02021990). You can change your PIN once you are inside of your KCU online area.
- You can check your final grades, once they are posted.

Check your TRANSCRIPT to see:

1. Current and term GPAs.
2. Transfer credits that you may be expecting. (Let the Registrar's Office know if you see any discrepancies.)
3. What classes you have taken and what grades you made.
