SUMMER READING RESULTS

Congratulations to Larry Marshall, Fiona Charlot, Steve Goodwin, and Kevin Johnson—our Summer 2017 Reading Program winners!

We are thrilled that we had 25 participants, the most we have ever had. Thirteen of our participants were KCU students and 12 were Faculty/Staff members.

We read a total of 281 books between May 1st and

September 1st. That is 112 more books than last year!

We also want to congratulate our top three readers this Summer: Steve Goodwin (42 books), Jeff Greene (25 books), and Kaelyn Anderson (23 books). Congratulations to everyone and watch for a chance to participate next year!

PREACHING ROUNDTABLE

KCU's Preaching Roundtable will take place on Tuesday, October 3, 2017. The featured speaker will be Bob Russell. This is an opportunity to participate in a workshop that encourages conversations in developing a long and healthy ministry.

For questions contact Dr. Rob O'Lynn at rolynn@kcu.edu or 606.474.3230. Click on the picture above to register!

Library Technology Helpful Hints

GOOGLE'S VOICE TYPING

Google Docs has a feature available called Voice Typing. You can use the feature to get started on writing a paper for class and the feature will work on your phone as well as your laptop.

To access this feature, you will need to sign in to Google and then open a blank Google Doc. Next click on "Tools".

In the drop down menu, select "Voice Typing". You will need to click on the microphone button on your left. Then speak into your computer microphone.

You must tell the document when you want to add punctuation and when you want to begin a new paragraph. If you have any questions. Stop by the Library!
