Section 1: Campus Security Authority.

List campus security authority personnel (definition at KRS 164.948(2)):

As required by the Campus Security Act, Kentucky Christian University, as a post-secondary educational institution in the state of Kentucky, designates the following University officials as “campus security authorities”:

President – Dr. Jeff Metcalf

Senior Vice President of Operations - Bill Bondurant

Vice President for Enrollment Management – Ron Arnett

Director of Residence Services - Kris Langstaff

Athletics Director – Bruce Dixon

Men’s Basketball Coach – Ron Reed

Men’s Soccer Coach – Jeremy Miller

Women’s Soccer Coach – Joshua Miller

Director of Men’s Services – Andrew Bondurant

Director of Women’s Services – Jessica Johnston

Resident Assistants

Describe the extent and nature of enforcement authority of campus security authority personnel:

Kentucky Christian University’s Campus Security functions as a service group rather than a law enforcement office. The major goal of Campus Security is to offer protection for people and property on the campus proper. Campus Security works very closely with the Grayson City Police Department for issues involving required investigations and/or arrests. When the need arises, KCU’s Campus Security also works with state and federal law enforcement agencies. Campus Security is directly responsible to the Vice President for Enrollment Management. The Student Services Office has direct responsibility for enforcement of Student Disciplinary procedures.

Describe the working relationship of campus security authority personnel with state and local police agencies:

The Grayson Chief of Police has agreed to work with the University in reporting the required data outlined in this act. The Grayson City police provide monthly reports of incidents and arrests on public property that is contiguous to the campus. The Grayson City police and the Kentucky State Police respond immediately to all calls for assistance.

Section 2: Description of Information Programs.

Describe programs that inform students and employees about:

(a) Campus safety and security:

The Kentucky Christian University Student Handbook annually includes a section on Campus Security/Safety. The Student Handbook is distributed at the beginning of the fall semester to all students and faculty and then again in the spring semester to those who did not receive it in the fall. The Handbook contains information about emergency first aid assistance, fire safety, escort service, crime prevention, motorist assistance as well as “what to do” if one is a victim of theft, robbery, and/or assault. It also includes the Campus Crime Statistics, “Emergency Procedures” to follow in case of campus emergency, fire, severe weather, and/or earthquake, and information on the how to contact Campus Security as well as the names and telephone numbers for reporting emergencies and non-emergencies.

The University website, www.kcu.edu, includes a copy of the Student Handbook as well as a crime log in the Security Section of the Student Services page which lists all reported incidents as well as drug-related and alcohol-related arrests and weapons possession. The log is updated within 24 hours of a reported incident on campus.

(b) How to report a crime:

The Student Services Office publishes and distributes the Student Handbook which includes information about how to report crimes and a list of names and telephone numbers for reporting emergencies and non-emergencies.

(c) How to prevent crimes:

The Director of Residence Services conducts meetings at the beginning of the fall semester to discuss personal safety. The Student Handbook contains safety tips about the escort service provided by Campus Security, locked vehicles, locked exterior and interior doors in all buildings on campus especially those in residence halls, and overall crime prevention.

Information regarding crimes reported to Campus Security, the Student Services Office, and/or the Grayson City Police that may represent a safety or security threat to KCU students and/or employees

Appendix F

will be made available via a campus-wide “Special Report” memo, posted on the University’s Security web page, and a “Special Report” posting in each residential facility within 24 hours of the initial incident report. The “Special Report” will contain information that will aid in the prevention of similar occurrences.
