

How to find your KCU Resources Barcode/Password and KCU PIN #

Young Library is able to provide off-campus access to subscription databases using an offsite proxy server. This will identify you as a KCU student.

If you have any questions, problems, or concerns please contact the library staff at (606) 474-3240 or library@kcu.edu for assistance.

To get to these resources go to <http://www.kcu.edu/library>

1. Select “Research” in the column on the left
2. Select “Databases” in the column on the left
3. Select the database that is of interest to you
4. When the authorization screen appears, type in:
 - a. Barcode/Password
 - i. This is the last six digits of your student ID number preceded by the letters “kc”.
 - ii. Example: **kc123456**
 - b. KCU PIN#
 - i. This is your first initial and your last name, all lowercase
 - ii. Example: **jsmith**
