

## Preaching Roundtable

Since 2013, the purpose of the Preaching Roundtable has been to provide ministers with immediately-applicable strategies to real-world concerns through a one-day workshop.

The last 18 months have been rough on everyone for one reason or another. As the Church emerges, the question of “What is next?” rings in the air and the Church needs to have a grace-filled, hope-full and gospel-centered response.

This year’s panel of speakers will pull from their experience in the trenches of ministry to provides insights into what is next for the challenges, concerns and celebrations of ministry!

Here are some resource recommendations from Dr. O’Lynn related to this year’s theme:

## Minister's Appreciation Luncheon

Our Annual Minister’s Appreciation Luncheon will also be held that day at 11:30am. This is a free luncheon open to ministers and their staff.

We want to honor those who are committed to the Great Commission and are on the front lines preaching and teaching the gospel. This luncheon is designed to refresh you and provide a unique opportunity for fellowship with other ministers, their staff, and KCU. Dr. Terry Allcorn will be sharing some encouraging words for you and your staff.
