KCU Homecoming 2021 Scavenger Hunt

We invite you to participate in our Homecoming 2021 KCU Scavenger Hunt! You can participate while you are here on campus or virtually from home. We have eight items that you can find either where you are or on our KCU web page (www.kcu.edu). What to search for will also be posted on our library Facebook page (Young Library at Kentucky Christian University KCU). Look for an item on the list, take a picture or save the photo then send it to us at library@kcu.edu and we will post it to our Facebook page so that everyone can see the pictures. Be sure and include your first and last name and the year that you graduated or last year that you attended KCU. For each photo that you submit your name will be placed in a drawing for some KCU swag from our bookstore! All photos must be posted by **10pm on Saturday, October 9th**. We are so excited that we can have our alumni participate no matter where they are this weekend!

Here is an example:

- Find a picture of a friendly library director at KCU.
- Take a picture of your neighbor if they happen or happened to be a KCU Librarian currently or in the past.
- You can go to the KCU web page (kcu.edu), click on "Library" at the bottom of the page, click on "Library Staff" at the bottom of the column on the left and save the picture.
- You can go to the KCU web page (kcu.edu), click on "Alumni" at the top of the page, click on "The Voice" at the bottom of the page, and then click on the Summer 2010 issue and look for a picture of Tom Scott, a previous library director and save the picture.
