

What is Verification?

Your 2022-2023 FAFSA was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the Department of Education or the Institution may ask you to confirm the information you reported on the FAFSA. To verify that you provided correct information, the Financial Aid Office will compare your FAFSA with the information on this worksheet as well as any other required documents. If there are differences, your FAFSA information will be corrected by our office. You must complete and sign this worksheet, attach any required documents, and submit them to the Financial Aid Office. **Please provide the required information as quickly as possible because your financial aid cannot be processed until verification has been completed. If you have any questions, please contact us at 606-474-3226 or tajohnson@kcu.edu or sjpeppard@kcu.edu.**

What are the Steps?

1. Complete sections A through E of this 2022-23 Dependent Verification Worksheet, while referring to the instructions provided for additional details on the process.
2. Review your Financial Aid Portal (my.kcu.edu) for any other documents that are needed for the verification process. You can find missing documents by logging into your account, selecting the **My Financial Aid** tab (left side of the page), then selecting the **"Financial Aid Documents"** tab located under the **Menu** option.
3. Once all of the documents have been submitted, our Financial Aid staff will conduct an initial review of the materials. If additional documentation is needed for clarification, we will be in touch with you, by email or by phone, typically within 5 business days. Please continue to monitor your KCU email and your Financial Aid Portal for updates on requests for additional verification documents.

2022-2023 Dependent Student Verification Instructions

For about half of our students, the U.S. Department of Education requires KCU to verify the data reported on the FAFSA. Your file has been selected for the verification process. Please follow the steps as outlined below.

1. You must complete the 2022-2023 Dependent Verification Worksheet. Remember to answer every question on the form. In addition, the form must be signed by the student AND at least one parent. **Incomplete verification forms will not be accepted.**
2. If you and/or your parent(s) were/are required to file a federal tax return, **you have three options to submit** income information. Please make sure to indicate in Sections C and D on the Verification Worksheet which option you will use.

A. IRS Data Retrieval Tool (HIGHLY RECOMMENDED FOR FASTER PROCESSING)

Most FAFSA filers have the option of securely transferring their 2020 income data directly from the IRS database to their online 2022-2023 FAFSA. This option is available to individuals whose 2020 federal tax return has already been processed by the IRS. If you did not take advantage of this data transfer at the time you originally completed your FAFSA, you can still do so by going to **www.fafsa.gov** and updating your and your parents' information reported. You would need to select "Make FAFSA Corrections" and follow appropriate steps. Applicants will need to authenticate their identity before any personal information will be displayed. Once authenticated, you will be prompted to "transfer" the tax information to the FAFSA. You will need to complete this process for both you and your parents if a 2020 federal tax returns was/is required to be filed with the IRS. You and your parents **should not** use the IRS Data Retrieval process if any of the following situations apply:

- Parents marital status date listed on the FAFSA is later than January 1, 2021
- Student and/or parents have not yet filed or will not file a 2020 federal tax return
- Parents have a tax filing status of "married filing separately" for 2020
- Parents listed all zeros for Social Security Number on the FAFSA
- Student used an 888 identifier in place of a Social Security Number on the FAFSA
- **For those with unusual tax filing circumstances, please see the reverse side of this document for instructions or contact our office for more information regarding your specific situation.**

B. Signed/Dated IRS Income Tax Return

You may submit a signed/dated copy of your 2020 Federal Income Tax Return (IRS Form 1040 and schedules) that was submitted to the IRS. For parents who had a filing status of "married filing separately", tax returns must be submitted for each parent.

C. IRS Tax Return Transcript

If you and/or your parents were/are required to file a 2020 federal tax return and did not use the IRS Data Retrieval Process OR do not have a copy of your return, you and/or your parents must request a 2020 Tax Return Transcript from the IRS and upon receipt submit a copy to the Financial Aid Office. For parents who had a filing status of "married filing separately", IRS Tax Return Transcripts must be submitted for each parent. **PLEASE NOTE: It may take up to 10 business days for the IRS to process your request.** There are three methods to request a Tax Return Transcript:

- Via the IRS website at www.irs.gov/Individuals. You can request a tax return transcript using the "Get Your Transcript" option. From there you may choose to get the transcript online (recommended for faster processing) or by mail.
- By calling 1-800-908-9946.
- Complete and submit IRS Form 4506-T or IRS Form 4506-T-EZ to the IRS by mail or fax as instructed on the form.

3. Additionally, parents of dependent students who are non-tax filers are required to provide an IRS Verification of Non-Filing Letter dated on or after October 1, 2021. There are different methods to request a Non-Filing Letter:
 - Visit the IRS website at www.irs.gov/Individuals. You can request a Non-Filer Letter using the "Get Your Transcript" option. From there you may choose to get it online (recommended for faster processing) or by mail.
 - Calling 1-800-908-9946. Non-filers must follow prompts to enter their social security number and the numbers in their street address. Generally, this will be numbers of the street address that was listed on the latest tax return filed. Select "Option 2" to request an IRS Verification of Non-Filing Letter and then enter "2020" for the year. If successfully validated, non-filers can expect to receive the documentation at the address provided in their telephone request within 5 to 10 business days from the time of request.

(continued)

4. Please submit all requested documentation (all together) within 3 weeks to the Financial Aid Office. This can be done by mailing the required documents or submitting them in the online portal. Please review the instructions to make sure you have completed and submitted all the required documents. Failure to submit in accordance with the instructions will delay the processing of your financial aid.
 5. **You must submit required documents before classes begin.** If you do not, your financial aid may be reduced or cancelled, and all charges must be paid out of pocket.
